THOMAS MEYERS-Served as a M.S. for a total of 12 yrs. During a 2 year period (91-92) while serving in Custer, SD, he did not serve. When he moved there the elders felt he did not set a good example in his appearance & home. He has been here for 2 yrs serving as an MS most of that time & the bros see no problem with him in this area. We worked door to door & made a shepherding call together, he does extremely well. He is a good student of the Bible & an excellent teacher. He is a good family man, is warm & friendly toward all in the cong. & is viewed as an elder. Elders recommend him unanimously. I agree.

Hardin Congregation of Jehovah's Witnesses, MT c/o Howard Earl 850 West 4 St #C Hardin MT 59034

Dear Brothers:

The Governing Body of Jehovah's Witnesses is pleased to advise that the following brother(s) has been appointed to serve in your congregation. Each one appointed should be sure that he is well acquainted with what the Bible says about his responsibilities in the congregation. In all that he does, he should look to God's Word for guidance and should cooperate closely with the faithful and discreet slave class, through whom the Lord is providing direction for his congregation. Further details as to the assignments to be cared for by each one will be provided by the local body of elders.

ELDER(S)

MINISTERIAL SERVANT(S)

DELETION(S)

Larry Archer

Serving with you under the appointed Head of the congregation, Jesus Christ,

OF NEW YORK, INC.

P.S. To body of elders: If any brother recommended is appointed by the Society, please have two elders speak to him before announcing the appointment. Ask if there is any reason why it should not be announced. If so, do not announce it, but return this form and advise the Society why he is disqualified.

If there is a deletion only, it is not necessary to read the first paragraph. Simply announce the deletion. If an elder is deleted for reasons other than moving to another congregation with a favorable recommendation, he should turn over his Kingdom Ministry School textbook(s) to the presiding overseer, who should give it to the circuit overseer.

Body of Elders Laural Congregation Laural Montana

Dear Brothers,

This letter is in reference to Brother Bruce Mapley and his recent move to your congregation. We were sorry to see the Mapleys move, but are sure you will be encouraged by their presence in Laural.

Bruce has served as a Ministerial Servant for some years here in Hardin, but due to some personal problems, which he is aware of, we feel we cannot recommend that he continue to serve. In our discussion with Bruce he made this expression nimself. With personal assistance we real that Bruce will be able to reach out again.

In the past the Mapley family has set a fine example in the field service and we sincerely hope they will continue on even more fully in this endeavor. If we can be of any assistance on Bruce and his family, please let us know.

Hardin, Montana, Congregation of Jehovah's Witnesses c/o Mr. Harold D. Rimby 701 North Crook Hardin, Montana 59035

Dear Brothers:

The Society is happy to inform you that the application submitted for the Hardin, Montana, Congregation has been approved. Jehovah's New World society is ever expanding, and this progressive step is another evidence of his blessing upon his people to preach the good news and aid the other sheep to come into his organization.

As you begin to function as a new congregation of Jehovah's people, each one should carefully consider what is required. An assignment of territory is issued, and it is the responsibility of each one that is associated to cooperate with the arrangements made for covering the territory regularly with the Kingdom message. As you locate interest, be sure to keep a careful record of this so that you can call back effectively and follow this up with back-calls and home Bible studies. Aid the interested ones to grow in their knowledge and share with you in singing Jehovah's praises. We know that also those who are more mature and experienced will want to aid the newer and less-experienced ones so that they may progress to maturity. Then as all have a regular share in the service, be sure to be on hand each meeting night for the spiritual food from Jehovah's table. Keep strong and properly equipped for Jehovah's service.

The appointed servants should always take a diligent lead in discharging their responsibilities as to Jehovah. The mature ones have much responsibility. To whom much is given, more will be required. But these privileges are joyful ones to be performed in behalf of our brothers. With all cooperating, the congregation will be strong and active in Jehovah's praise. We will look forward to receiving the first report on your congregation and noting the progress that has been made. Be assured of our prayers and best wishes.

Working with you in the New Order society,

OF NEW YORK, INC.
